ANSWER KEY

Kate, Izzy and Fred are trying to vote for their friend Annabel on Superstars, but they're having a few problems. Kate can't **get through** (be connected on the phone), Izzy **gets cut off** (experiences a break in the connection) and the person Fred is speaking to doesn't **put him through** (transfer the call to the person he wants to speak to).

Sam arrives and asks if they've **taken up** (started) telemarketing. Izzy gets through but she hears a recorded message telling her to **call back** (call the same number again) later. Finally, Izzy manages to vote! They are excited and want to **carry on** (continue) calling. When the phone lines close, Kate tells Izzy to **put the phone down** (end the phone call). But when the results are being announced, Kate accidentally **switches off** the television (makes the television stop working)! When they **switch it on** (make it start working) they think their friend has won. But then they realise their friend has **taken on** (adopted) a stage name, she hasn't won, and they've been voting for the wrong person!
